WIOA Success Story

Roydarius

- ▶ Roydarius was enrolled in the WIOA program interested in obtaining his CDL. WIOA was able to partner with Commercial Driving Academy to help Roydarius achieve this. While in the WIOA program Roydarius was able to work with his Career Coach and receive supportive services to help him get back and forth to training. Once he completed the CDL Class A course he was able to get his CDLs and immediately obtain employment through Warner in Atlanta doing over the road. Soon after due to personal reasons, Roydarius was not able to stay over the road and was concerned that he would not be able to find a job locally. At this point, Career Coach, Crystal Cheatham stepped in and assisted him with job searching and found a job with Laurens County. Roydarius applied and got the job. He now works in the streets and sanitation department making a starting wage of \$18 per hour and working 35 hours per week. Roydarius was excited when he realized that he was going to be able to keep doing what he loves and be able to be local.
